# GE HEALTHCARE

ASSOLOMBARDA

Filiera Life Sciences

GE Healthcare, division of General Electric, is a leading global medical technology, diagnostics and digital solutions innovator. GE Healthcare enables clinicians to make faster, more informed decisions through intelligent devices, data analytics, applications and services, supported by its Edison intelligence platform.

GE Healthcare provides universities and hospitals with medical devices and pharmaceuticals for early diagnosis and improved patient care.

GE Healthcare develops advanced technologies in medical imaging, information technology, diagnostic and patient monitoring systems, and solutions for anesthesia and ventilation, obstetrics and gynecology.
